

Remarks

Reconsideration of this Application is respectfully requested.

Upon entry of the foregoing amendment, claims 1, 5, 6 and 8-11 are pending in the application, with claim 1 being the independent claim. Claim 1 is amended to correct a typographical error. New claims 8-11 are sought to be added. Claims 5 and 6 are withdrawn. These changes are believed to introduce no new matter, and their entry is respectfully requested.

Conclusion

Based on the Arguments filed on May 5, 2010, and the corrected listing of the claims filed herewith, all of the stated grounds of objection and rejection have been properly traversed, accommodated, or rendered moot. Applicants therefore respectfully request that the Examiner reconsider all presently outstanding objections and rejections and that they be withdrawn. Applicants believe that a full and complete reply has been made to the outstanding Office Action and, as such, the present application is in condition for allowance. If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.

Prompt and favorable consideration of this Amendment is respectfully requested.

Respectfully submitted,
